HOW TO READ THE CHARTS

The lowa Tests of Basic Skills (elementary and middle school) and the lowa Tests of Educational Development (for high schoolers
show how students perform in reading, math and science. Test results are shown here for 44 districts in Eastern lowa. Results from large districts are listed by building. Test scores listed as: '03 are for the 2003-04 school year;
'04 are for $2004-05$ school year; '05 are for the '04 are for 2004
06 school year.

## Grade equivalents

The grade level at which a district's or building's students performed on the ITE
peers in lowa and nationwide.
Most schools in the Cedar Rapids and lowa City
metro areas test in the fall. metro areas test in the fall.
Fourth graders who take the test in Octobe should be scoring at least 4.2 (fourth grade,
second month). Most recent scores in this sectic
fall testing unless otherwise noted. fall testing unless otherwise noted.
thawa grade equivalents tend to be lower
than national equivalents because students than national equivalents because stude
in lowa are compared with other lowa students, who usua
students nationally

Proficiency
Not proficient: The percentage of Not proficient: The percentage of
students who score in the 40th percent ationally or below. $\square$ Proficient: The percentage of students who
scored in the 41st to 99th percentile national scored in the 41st to 99th percentile nationa
This category is divided into two ranges This category is divided into two ranges -
intermediate (percentage of students who scored in the 41st to 89th per
high (90th to 99th percentile). - Note: In school districts, proficiency percentages are shown for students who
qualify for the free and reduced-price meal program, an indicator of poverty; for minorities, and for special education. (Schools with fewer
than 30 students in a subgroup do not report children could be identified.)

## Caveat:

Percentages are rounded so nur
not always add up to 100 percent. - Some demographic data are inclu

The data do not necessarily reflect how
scores are reported for federal No Child Le scores are reported for federal No Child Left
